Principal's Message

2017 is the last year of our three year plan for Windale PS. While I wasn't here when this plan was first developed back in 2015, I know a great deal of planning went into it with all parties involved and it still forms the basis on which we make decisions daily about what the priorities are for the students at Windale PS. We are busily gathering information and data at the moment to evaluate what we have achieved through the current school plan so that we can work out what our future directions will be in the 2018-2020 school plan. This involves input from all our stakeholders – students, staff, parents and the wider community. Over the coming weeks, you will be given various opportunities to give feedback about what skills and values you would like your children to possess when they leave Windale and how we can improve even further on what we are already delivering. It is so important that we hear what everyone has to say so that we have a shared vision moving forward together for the benefit of all our students. I urge you to take advantage of these opportunities to have your input about the future for your child/ren.

Windale PS continues to grow from strength to strength. Student enrolments have continued to increase steadily and are now at the highest they have been since I took over as permanent Principal in Term 3

last year. Similarly this year's NAPLAN results in Year 5 have seen the best results since 2013 in:

**Grammar and Punctuation
Numeracy, and
Data, Measurement, Space and
Geometry.**

I was contacted last week by a concerned member of the community saying that they have heard that the school was closing. I have spoken personally with Steve Harris, Director, Public Schools NSW who has assured me that this is definitely not the case. He has congratulated our school on the results we have achieved and are continuing to achieve daily for all of our students. Our numbers are increasing and our staff is the most stable it has been in some time with several permanent appointments over the last year. Windale PS is definitely open for business and will continue to be so into the future.

I would like to take this opportunity to wish all our families and wider community a happy and safe holiday over the coming two weeks and we will see everyone back ready for another terrific term of learning on Monday 9th October. We thank you again for your continued support of your child's education at Windale PS.

Caring for our garden

Pre-schoolers watering our garden as well as having a drink of water themselves.

Outdoor fun

Wattle pre-schoolers found a new use for our jumping sacks when they enjoyed a sleep on the grass in the sun last week.

Milabah - Place of Fun.

Friday Bread

Free bread Friday has finished for now. As we have a shortage of volunteers, we have no one to pick up the bread from Bakers Delight, sadly, we have had to stop the bread. Hopefully we will be able to get back on Bakers Delight list, when we have new volunteers

Jarjums playgroup

Is for 0–5 year olds and is held in Milabah every Tuesday, 9.30am – 11.30am.

Come and join Belinda, have some fun and pick up some great ideas to keep your children's active minds busy with reading, nursery rhymes playdough and lots of craft activities.

We request a gold coin donation for craft items and morning tea will be provided.

Samaritans Supported Playgroup

For children aged from birth to 6 years and their parents/carers.

Samaritan's playgroup is here every Wednesday morning and runs from 9.30 – 11.30 am every Wednesday. Samaritans Supported Playgroup supports families to be their child's first teacher and has lots of great ideas for learning through play.

P-2 ATHLETICS CARNIVAL

SPORTS REPORT

FOOTBALL REPORT

Last Thursday, Windale Juniors travelled to Windale Oval for the Knight's Knockout. Every game was played at a high level. We won 3 games, lost 1 and had 1 draw.

Again sportsmanship was of the highest order. Everybody involved are to be congratulated on a great day. Thank you to the coaches Luke and Mr Ikihele.

On Friday, the Juniors played their last game of the year and a fighting draw with Belmont. Throughout the year this team has played quality football with coach Luke being a great asset to the team.

The Seniors also played their last game of the year. We had a great win against Wiripaang and this team coached by Mr Ikihele also have had a great season. Both teams have played great football and everybody is looking forward to next year.

NETBALL REPORT

Our girls played Floraville PS on Friday in a semi-final. The Team played their best match in attack and defence but Floraville we just too good on the day. The game ended with the score being Floraville 15 and we scored 12.

Congratulations to our senior girls team for playing well for the season and showing good sportsmanship and resilience. Well done to Kyte, Danika, Tenasy, Bianca, Candace, Taylah, Ruby, Alyssa and Matilda. A special mention to Emma Hudson for being the BEST umpire for all the games. Cheers!

An Oakvale wildlife campaign with a difference!

OUR STORY

Oakvale Farm & Fauna World was started back in 1979 and has remained family owned and operated by the Sansom family. Oakvale is now a premier destination for local and international visitors traveling from around Australia and the world to Port Stephens in NSW, Australia.

The park was originally built as a farm and later acquired various Australian wildlife species. The dedication to wildlife conservation has since become a key focus in the new direction of the park.

In 2017 Oakvale's owners and managers wanted an opportunity to give back to the wildlife that had long called Oakvale home and to make a contribution to conservation through aiding in the rehabilitation of sick and injured wildlife, restoring habitat as well as providing a second chance at the park for animals that can't be released back into the wild.

The campaign was started to aid in the conservation of not only the species that live at Oakvale but species from around Australia and the globe that are threatened, vulnerable or endangered.

Extinction is forever and that is a message that the owners and their dedicated staff deliver to the thousands of guests that enter the park each year along with the message that together, we can truly make a difference.

The Save our Wildlife campaign will look to support other wildlife foundations in their bid to save the world's species from extinction.

This will be achieved through education, conservation, breeding programs, research and fundraising initiatives. Oakvale has already established multiple endangered species breeding programs where we currently release threatened and endangered species back into the wild for future generations to enjoy.

On behalf of all the staff here at Oakvale we would like to thank you for your generous contributions to help us save our wildlife and hope that you enjoy interacting with our animals, learning about them and appreciating them as much as we do.

FLORAVILLE**

Take advantage of this special offer and help us to drive the number of childhood drownings in this country down to zero.

Kids Alive Do the Five have partnered with Poolwerx to offer Free Swim Lessons at various swim schools for Under 5's.

Jamie's Swim School values it's community and has signed up with this program BUT it is offering for children Under 12

**THREE FREE SWIM LESSONS – 3rd, 4th & 5th
October 2017**

We believe swimming is an essential skill for ALL children so we've extended the offer to include Primary School Aged Children. Group lessons during these dates only.

Visit the Learn2Swim Week website at www.learn2swimweek.com and sign up for a free lesson at our school
